

FEATURE EDITORIAL SUBMISSIONS

SportDiving Magazine welcomes relevant stories from contributors regardless of experience. Due to the number of submissions on file and a three month lead-time per issue, there will be a delay before any article can be published.

IMAGES

SPECIFICATIONS CMYK, RGB or RAW, Mac format, 300 pixels per inch (300dpi), approximately 21 centimetres wide.

*****Please do not adjust images in any way; we do this inhouse on professionally calibrated monitors.*****

QUANTITY 15-20 of your best pictures. Suggested ratio: 50% underwater, 30% above water, 20% divers/boats.

FORMATS A mix of vertical and horizontal formats allows flexibility with layouts.

NOTE Please do not embed images into text files - all images should be supplied separately.

TEXT

INTRODUCTIONS 30-50 well chosen words.

MAIN TEXT 1000-1500 words allow us to use your images to maximum effect. Keep your text tight and interesting, avoid flowery descriptions and include plenty of facts for other divers to refer to if they visit the same area. If you have a good time, say so - and don't forget humour!

SIDEBARS & MAPS These give additional information, natural history facts, historic or location data **not included** in your main text. Sidebars add interest to an article.

CAPTIONS Please code captions to match images.

MEASUREMENTS Metric please! Imperial measures should be placed in brackets after metric dimensions, e.g 30 metres (xxxxxx feet).

DRAFTS These are welcome with lo-res images for assessment if possible. Email these to sportdiving@motpub.com.au
